

The Shadow Project

The Shadow Project is a Portland nonprofit that partners with special education teachers to make school a place where children who learn differently can thrive.

School programs that
empower every child:

Goal Setting

Reading Mentoring

SuperSensory Spaces

The result:

- 71% of children increase 1-2 grade levels in reading
- 73% of children improve self-management
- 93% of teachers report more time spent teaching
- **Kids see themselves as confident, capable learners**
